At Lexington Opera House.

An innovation is announced for the Lexington opera house this week. In a word, it is Vaudeville. Two more words to heighten the effect: Popular prices.

The "vaudeville at popular prices" comes with a Klaw & Erlanger stamp on it, straight from the New York Theater in New York. It marks the first entry of the mighty trusts into vaudeville, and it is said to be more than good. But judge of that yourself. Here is the bill:

First, Madame Herrman, widow of the great magician, will try with her beauty, her gowns and her really remarkable expositions of the occult, to win the place in Lexington which her work in vaudeville for the past several seasons has won her elsewhere. She is a headliner.

Henry Stanley, assisted by Miss Coggeswell, will present a sketch, "The German Professor," in which comedy and a touch of the pathetic combine to charm.

Canfield & Carleton have what the advance man styles "a scream" in their crazy-quilt skit, "The Hoodoo Man." Ray L. Royce, whom one eastern critic called a "second Sol Smith Russell" and chided for not going in for the legitimate, presents a series of lightening costume sketches in which lightening costume changes figure.

Lillian Mills and Elida Morris live up to their billing as "The Minstrel Girls." Mosher Houghton and Mosher are unusually good on wheels.

Willie Zimmerman will give his impersonations of great masters. He is popular on the vaudeville circuit of the East and Middle West. The artistic predominates in his work and he bases much of his success on personal acquaintance with the men he impersonates.

Of course there is the picture machine. Custom demands it and the public, so far, has never tired of it. New films will accompany the troupe.

The Lexington opera house bill looks high class. Matinee and evening performances will be given daily.

Total Registration 49,498.

According to figures announced Saturday by Phil Thompson, County Clerk of Jefferson county, the total registration in Louisville for the two days, Tuesday and Wednesday, is 49,498. This is the heaviest registration ever known in Louisville. The total registration for the first day was 34,898. County Clerk Thompson is busily engaged with a corps of clerks copying and tabulating the registration lists, and the registration as yet has not been tabulated by party affiliation or as to race.

Monument Unveiled.

The monument at Fort Boonsboro was unveiled Saturday in the presence of several thousand people. Addresses were delivered by Senator McCreary, Judge J. M. Benton, Judge George B. Kinkead and Col. J. W. Caperton.

Goddard Acquitted.

Charles W. Goddard, who recently killed his brother, James Goddard, was dismissed on his examining trial at Lexington. It was shown by the evidence that the shooting was accidental.

Watch Found.

Mr. Jasper Offutt advertised the loss of a handsome gold watch in Friday morning's Bourbon News, and the watch was handed to Chief of Police Hill Saturday morning, the finder stating he read the advertisement in this paper. It was found on the pike in front of Mr. Offutt's residence.

The man who breaks the corn-husking record doesn't get as much attention in the newspapers as the man who throws the hammer farthest, but he works harder, and helps the country more.

Court Day.

There was the largest crowd in town yesterday that has been here for some time.

About 100 cattle at M. J. Murphy's pens and 65 sold.

M. J. Murphy sold to John Toohey 9 black cattle, average about 800 pounds at 5 cents; 20 steers, average 500 pounds to Clayton Howell, of Mt. Sterling, at \$20 per head.

Hibler Bros. sold about 200 head of sheep at from \$6.50 to \$7 per head. There were about 40 head of aged mules here, but little trading, and about 100 mule colts, which sold from \$50 to \$100.

W. D. McIntyre, of Millersburg, bought 8 aged mules at \$120 per head, and 6 mule colts at \$7 per head.

Thos. McClintock & Sons, of Millersburg, purchased 4 or 5 mules at an average of about \$140.

Saving banks are established in 223 schools in Scotland. There are 35,712 depositors with \$48,990 to their credit.

Simple Home Recipe.

Get from any prescription pharmacist the following: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home when asked stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

What the School Did for Arthur Woodmansee

WE are proud of his record and that of hundreds of others like him, because they prove that the right kind of a boy or girl will find the Bartlett Commercial College a stepping stone to success.

Read what Arthur Woodmansee says: "When I was at the school you remember my taking the Civil Service Exam. Well, I passed fine and when I was a week out of school, I got the appointment at \$90. Now I am getting \$70 and have a promise for a raise on the 1st. I've got an elegant job in the Naval Bureau of the Navigation Department. Your school deserves the credit for my success."

We want you to realize that the Bartlett Commercial College Cincinnati, Ohio

has years of uninterrupted success behind it. For years it has been producing the kind of Bookkeepers and Stenographers that succeed because they are trained to succeed. That's why its graduates are sought by the best business houses in Cincinnati and elsewhere.

Send for the catalogue, which tells the story of a successful school.

Important Decision.

The Court of Appeals, in a decision just rendered, holds that the local option law of 1906 cannot be construed as interfering with the right to ship liquor from another State into local option territory in Kentucky.

The case in which the decision was rendered, was that of the Commonwealth against the Cincinnati Southern Railway involving the shipping of beer into Boyle county.

It has been the practice of the Covington Brewery Company to accept orders from Boyle county and then send the beer by way of Cincinnati.

The court holds that this process is legal, and that the business cannot be prevented under the law shipping from one State to another, bringing the traffic under the interstate commerce regulations. Judge Barker delivered the opinion.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Take Hall's Family Pills for constipation.

The Other Way.

In Oregon they are going after the whisky traffic in a novel way. They reverse the order of things. Instead of licensing the seller, the buyer of strong drink is compelled to take out a license for which he has to pay \$5 every six months. Saloon men are compelled by law to confine their sales exclusively to persons holding licenses to buy, under pain of a heavy fine, for selling to unauthorized drinkers. A feature of the law is that every six months a complete list of the licensed drinkers is published every six months.

Insure with W. O. Hinton. Prompt paying non-union companies.

Bohemian King Sold.

Bohemian King, acknowledged to be the best two-year-old gaited horse that has appeared in recent years, was sold last week by William and A. G. Jones, of North Middletown, to Powhattan Woolridge, of Louisville. The price was \$3,000, perhaps the largest ever paid for a saddle horse of Bohemian King's age. At the close of the Horse Show Mr. Woolridge will take the animal to his stock farm at Pewee Valley. Bohemian King is a magnificent specimen of the American saddle horse. He is by Bourbon King, one of the best five-gaited stallions ever shown, a former champion of the Louisville Horse Show, and was never defeated in a show ring.

You can always spot the villain in a show, but it frequently takes more than four acts in real life.

Thornton Carnival Company.

Mr. Fred R. Heiney, the efficient and hustling advance man for Thornton's Carnival Co., has been in the city several days boosting his company, which opens here today on Roche's lot, in Thornton's Division, and will continue the remainder of the week. There are ten big shows with the company, a military band, Ferris wheel, ocean wave and merry-go-round. Admission to the midway is free. There are marvelous and startling aerial acts free every afternoon and night. This is one of the best carnival companies on the road and Mr. Heiney has insured us that the people will be pleased with the attractions offered. The lot is convenient to get to and the company will no doubt do a big business.
